Re: *United States v. Walter Aponte*, 11 Cr. 576 (PKC)

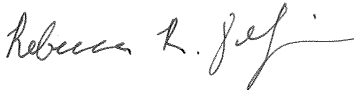

Dear Judge Castel:

The Government writes respectfully to request that the Court dismiss all open violation specifications in the January 15, 2025 Amended Violation Report in this matter.

On March 11, 2025, the defendant admitted violation specifications 3 and 6, and the Court accepted the defendant's admissions. At the defendant's plea, the parties stated that the Government would move to dismiss the open violation specifications—that is, specifications 1, 2, 4, 5, 7, and 8 of the January 15, 2025 Amended Violation Report—at sentencing, but the Government inadvertently did not make that motion at the defendant's sentencing. The Government, therefore, respectfully requests that the Court now dismiss the open violation specifications listed above.

Respectfully submitted,

MATTHEW PODOLSKY
Acting United States Attorney
